

The Time to Speak

Earnestly ♩=100

Why should fear of men de - lay you If it

is the truth you teach? Will a tim - id heart be - tray you, Keep - ing you from god - ly

speech? When you have re - ceived the warn - ing, Love will urge you: Pass it on. In the

dark, be - fore the morn - ing, Is the time to speak of dawn. If your

speech seems weak and bro-ken, Do not fear you won't be heard. Trust the Spir-it to a -

wa-ken Hon-est hearts to hear the Word.
